

#SMALLACTS

Weaving community, one #SmallAct at a time.

Our Mission

The **#SmallActs** campaign is designed and led by folks who call the North Country of New Hampshire, neighboring states and beyond home.

The #SmallActs campaign is about neighbors helping neighbors and building communities where #SmallActs are a way of life.

Every one of us has something to offer. Every one of us needs help.

Join us! Do something unexpected and kind for someone. Spread the word. Learn with us how much we truly depend on each other.
