

#SMALLACTS

If you are reading this postcard, it means you have received #SmallActs from a friend, neighbor, someone right here in our community! If you have been touched by this, join us! Do something unexpected and kind for someone. Spread the word. Learn with us how much we truly depend on each other. Share a favorite food, do some yard work, create public art!

If you join in with #SmallActs of your own, please pass on this postcard to encourage others to “pay it forward” and perform #SmallActs of their own! And if you feel inspired, you can share your #SmallActs story, request additional postcards or learn more at [SMALLACTSNORTH.COM](http://SMALLACTSNORTH.COM)

The #SmallActs campaign is made up of a growing group of people in New Hampshire’s North Country and neighboring communities. It is about neighbors helping neighbors and weaving stronger communities where #SmallActs are a way of life.

*Every one of us has something to offer. Every one of us needs help. We hope you will join in!*
